

Greenwaste Guidelines

The following is a guideline for Greenwaste disposal at the Westport and Reefton Transfer Stations.

Mixed loads will not be accepted as Greenwaste, they will be charged accordingly. We reserve the right to examine all loads brought into the Transfer Station.

Greenwaste Materials	Grass cuttings, Grass or weed roots with minimal soil attached, Saw Dust (non-treated), leaves, bark chip. Charged as Green waste
Tree Pruning	Tree pruning's excluding fruit, tree stumps less than 100mm) and non-fibrous plants. Charged as Green waste
Compostable Materials	Yard sweepings, noxious weeds and grass with lots of soil attached to roots, fruit & vegetables. Charged as Refuse
Tree stumps - over 100 mm diameter	Logs, Stumps and any timber cut-offs Charged as Refuse

Greenwaste Charges
