Maruia Landfill and Recycling Facility

Your local landfill and recycling stop

Refuse

Materials accepted as refuse

Household waste: general refuse, food scraps, green waste, general household furniture, timber.

Commercial and institutional waste

You can drop off your refuse in official Council rubbish bags (no additional charge). You can also use any 60L rubbish bag or bring refuse in your car or on your trailer for a fee.

The Reefton Transfer Station and Recycling Centre accepts a variety of additional waste types not accepted at the Maruia Landfill, including excavation material, construction/demolition waste, car tyres and bodies, gas bottles, used oil, whiteware, scrap metal, e-waste (electronic waste), batteries and agrichemical containers.

Please refer to the Reefton Transfer Station and Recycling Centre fees and charges on the Buller District Council website.

Recycling

Properly prepared recycling material can be dropped off for FREE at the Maruia Landfill and Recycling Facility.

The Maruia Landfill and Recycling Facility has a recycling container with four boxes, one for plastics, paper/cardboard and cans, and three for each colour of glass (clear, brown, green).

Materials accepted as recycling

Only clear and coloured plastics **#1, #2 and #5** are recyclable.

Plastic #1 meat trays are now accepted.

All items need to be rinsed clean, with any lids removed.

Cardboard and **paper** are recyclable. **Clean pizza boxes**, without food residue are now accepted. Items must be larger than an envelope, clean and flattened before going into your yellow bin.

Steel and aluminium tins and cans are recyclable.

You need to rinse, clean, and check them.

Glass must be separated by colour: green, brown and clear.

Do not leave recycling material outside the container at any time. If the container is full, dispose of your recyclables at the Reefton Transfer Station and Recycling Centre during opening hours. Do not leave material next to the container or in surrounding areas.

Do not put broken glass, drinking glasses, windowpanes, car windscreens or mirrors in the container. They need to be disposed of as refuse at the Maruia Landfill or Reefton Transfer Station.
