Hi [REDACTED]

Thanks for your recent enquiry regarding election expenses for the 20219 and 2022 Buller Local Authority elections.

You have requested a copy of each one, which of course should have been accessible from the council website but was not. Thanks for pointing out this error and all of the returns will shortly appear on our website.

I am sending the 2022 copies in 3 emails and I will send the 2019 copies shortly in separate emails to help your record keeping.

I appreciate we captured your request as a LOGIMA request for our which was strictly not needed. I have replied as a if it is a LOGIMA request to close out our system.

If you seek any further information etc, please don't hesitate to contact me.

Regards

Dear Sir/Madam. I am a student at Victoria University School of Government, my thesis is about the relationship between campaign expenses and electoral results in local government. The voting results for your BDC 2022 elections are helpfully prominent on the website but I have been unable to find the scanned forms from candidates with information about their expenses and donations received. Would you be able to email them to me or place them online? Thanks for your help, [REDACTED]
